Our Services

With over 9 years of experience, Diligent Experts provides tailored environmental consultancy services including:

- **Environmental & Social Impact Assessments (ESIA)**
- **Environmental Audits**
- **Project-specific advisory and compliance support**

Ranked among Kenya's top environmental consultancy firms, we pride ourselves on delivering diligent, expert-driven solutions that align with national regulations and client goals.

Distinction

- We undertake Environmental and Social Impact Assessment (ESIA) and Environmental Audit (EA).
- Application for NEMA licenses such as Effluent Discharge License, Recycling Facility License, Transfer Station/Storage Yard License, Incinerator and Landfill License
- We offer services of outstanding quality in accordance with the IFC Sustainability Framework, World Bank Environmental, Health and Safety Guidelines and Environmental Management and Coordination Act CAP 387.
- We provide unique and creative Environmental solutions that meet the clients' expectations with due diligence and strict adherence to Environmental Laws.
- We apply Multidisciplinary approach based on the spirit of team work to provide quality environmental consultancy services
- Fulltime availability, fast response and reliability in duration taken to complete tasks
- Flexible pricing rates and guarantees

Vision

To promote sustainable development by providing quality environmental consultancy services.

Mission

Provide our clients with the best environmental consultancy services that meet their developmental needs.
